Benefits

DIAZED fuse systems area a result of the well-designed modular system, the components can be combined in any way to meet the various requirements and to facilitate different installation methods.

- DIAZED base
- ② DIAZED cover
- 3 DIAZED cover ring
- 4 DIAZED cap
- ⑤ DIAZED bus-mounting base, EZR
- 6 DIAZED bus-mounting base, EZR, 3-phase
- ① DIAZED cover ring, EZR for bus-mounting base
- DIAZED fuse link DII
- (9) DIAZED fuse link NDz
- DIAZED screw adapter
- 1) DIAZED adapter sleeve
- DIAZED screw cap
- Busbar, oblong hole, 1-phase
- (4) Terminal, fork-type terminal, non-insulated
- EZR busbar
- (16) EZR terminal
